DEDICATION

We are dedicating our Town Report this year to Dr. Ralph Cole, who has served the Rindge community as Health Officer from 1988 to 1994, when he retired. As Health Officer, Dr. Dole was responsible for annual inspections of all child care facilities in Rindge, inspections of all commercial kitchens,water testing, answering any complaints that came in, and a variety of other jobs. Dr. Cole always did his job with a smile and a story.

Dr. Cole has quite a history. He is a graduate of Tufts Medical School, and had graduate training at New England Medical Center, specializing in cardiology. Dr Cole is now and has been for many years, on the staff of Tufts Medical School.

Dr. Cole, with another physician, established the first medical group in New England. He did heart research with an international research group, and established a heart clinic for children with rheumatic heart disease, in Lowell, Massachusetts. He became a member of the Maryland Research group and ran a research clinic for the prevention of heart attacks through the use of aspirin. He was also involved in the study of cholesterol. As an editor for a doctor's magazine, he eventually became Editor in Chief & Publisher of Physician East. As a member of the Westford Board of Health, he had been active with the Nashoba Boards of Health, which covered 13 towns. He became the administrator for fifteen years.

Dr. and Mrs. Cole are very active in the Rindge Historical Society and the community in general. They are a wonderful asset to the Town of Rindge. We thank you Dr. Cole, for your dedication and service to our Town.

REPORT OF THE SELECTMEN

In spite of a continuing economic sluggishness for the New England Region, the Town of Rindge has been fortunate to have further commercial growth with the opening of Walmart's 75,000 square foot store along Route 202. To the credit of our Planning Board, this development hopefully will dispel some of our towns peoples concerns that our arterials might become commercial strips like those of our neighboring towns. Cheshire Market Place has likewise exceeded the developer's expectations, all of which contributes to a more favorable impact for all other businesses in our town.

However, growth such as indicated above is not without its challenges. Certainly our police, highway, and code enforcement departments are facing greater demands, but the area for which we have the greatest concern is our "on call" fire department, staffed by volunteers with few, if any, available during daytime operation. With our continuing residential and commercial growth, it is essential that the town provide a nucleus of paid firefighters/emergency medical technicians to insure that we meet the standards for public safety.

Financially, our town is in excellent shape, having minimal long term debt and a surplus sufficient to handle emergency needs without impacting our tax rate. As indicated in this years warrant articles, the Selectmen are recommending the use of a portion of this surplus for a much needed expansion of the town offices and a solution to a domestic water problem along Payson Hill Road.

During 1994, our town has benefited from some fine philanthropic events. Namely, the Monadnock Tenant Park Cooperative was beneficiary of a $350,000.00 community block grant used for park drainage and sanitary improvements. Thanks to the efforts of the RAMS, the RYAA organization, our Recreation Department under Barbara Young, and our Highway Department, Wellington Field received a complete "face lift", with the lighting of the field, new dugouts and concession/storage building, along with new grassed and parking lot areas. Early December saw the completion of a beautiful bandstand on the Town Common, donated by Mr. and Mrs. David Smith, longtime Lake Monomonac summer residents, currently residing in Florida. With this structure, the town can look forward to many summer evening band/choral concerts as well as the focal point for our Christmas festivities.

1994 was not without personnel changes. Scott Ellis replaced Art Quebec as Building Fire and Safety Inspector early this year and has found himself fully involved in code enforcement. Regretfully, the Selectmen accepted the resignation of our Recreation Director, Barbara Young, at the end of December. Barbara has been an inspirational leader, whose talents will be sorely missed.

In closing, we extend our utmost appreciation to all those who have served or are presently serving as town officers, employees, board members and committee members. It is through the efforts of those willing to serve that we can continue to enjoy the life here in Rindge!

SELECTMEN OF RINDGE, NH

REPORT OF THE BUDGET ADVISORY COMMITTEE

The Budget Advisory Committee met with the Selectmen at three month intervals during the past year to review year-to-date expenditures. In addition, the committee met with Selectmen and department heads as they reviewed the 1995 budget, held two other meetings to discuss budget concerns and to review the 1995 Town Warrant articles, attended department head meetings, and participated in the work of the Capital Improvement Plan Committee.

Although the Budget Advisory Committee has concerns about the budget, it appreciates the willingness of the Selectmen to discuss budget issues with the committee. In any community, there will be different views about how much is affordable, which items should be purchased and generally how a town should operate. Rindge is no different. It is important however, for any town to have healthy discussions about its budgetary options and direction.

To keep the 1995 budget in perspective, it is interesting to note how the town has changed in the last few years. Between 1988 and 1993 the population of the Town of Rindge declined 5% while assessed valuation on which taxes are raised, increased approximately 4%. Operating costs for town services however, increased 51% although the net property tax expense for town services increased by only 26%. Although these increases when compared with the town's population look large, it is important to keep in mind that between 1983 and 1988, the population grew by 43%. Certainly part of that growth is felt during the 1988-93 budget years despite smaller population increases for those years.

The 1995 budget, without warrant articles, is 2.6% higher than the 1994. Some of the increases this year are due to the following: 3.5% cost-of-living salary increases for town employees, increases to the Town Clerk's office to provide in-town automobile registrations, purchases of needed improvements to the town's computer systems, increased costs for the solid waste contract with Winchendon, and increases for road projects to begin improving roads with safety concerns over the next few years.

Although the Budget Committee generally agreed with the budget as presented, it has some concerns. One concern is the amount that has accumulated in surplus over the past few years. It is helpful to have these surplus funds available this year to pay for certain projects that are needed. It may also be helpful to review the source of these surplus funds to see if there is a pattern and to curtail spending where appropriate.

We do not agree with the 3.5% salary increases for town employees; we believe it is too high. We are concerned with the possible expectation among town employees for yearly cost of living increases at the 3-3.5% range. The town cannot expect to sustain this type of annual increase. Another concern is the lack of information about potential off-setting revenues the town can expect in various departments during budget development. It would be helpful to have this information so the impact of budget increases for a particular department can be more carefully measured.

As far as town warrants are concerned, the Budget Advisory Committee supports the improvements to Town Offices, although again, there is some concern about the town's long-term direction for town buildings. We believe these building concerns should be addressed by the Selectmen, the Capital Improvement Plan Committee of the Planning Board or a building plans committee convened to review the town's long-term needs.

The Budget Advisory Committee supports most of the other warrant articles. The new fire truck is needed and should be purchased this year.

Finally, the Budget Advisory Committee is happy with the efforts made during the past year on a Capital Improvement Plan (CIP). Rindge needs to look long-range at its capital needs and the CIP work provides both perspective and direction. When the report is finalized and shared, it will prove to be an invaluable tool for planning purposes. We look forward to its presentation and the discussion that will follow during the coming year.

FINANCIAL ACCOUNT OF PAYMENTS FOR NEW RINDGE HISTORY AND REPRINT OF STEARNS HISTORY

When making arrangements to pay Phoenix Publishing for the new Rindge history, the Rindge Historical Society voted $10,000 and the Town of Rindge voted $25,000. We believed $35,000 would be sufficient.

The Historical Society used its funds of $10,000 plus accrued interest, which had been the bequest of Ralph and Gertrude Ward, a total of $11,502.59, and this sum was deposited in this special account.

The Society paid one third of the first bill, or $10,339.50, and the Town paid two times this amount, of $20,679. The final bill received from Phoenix amounted to $35,897.05 so there was a balance of $4,878.55 (includes transportation).

Another payment of $3,715.82 was made and the balance of $1,162.73 was negotiated due to our complaint of several errors, the large overrun of old Stearns histories, and the fact it exceeded our budget. Phoenix agreed to cut in half the cost of the publisher's overrun ($758.28) so that the balance of the total bill of $783.58 was paid (a savings of $379.15).

On May 10, 1989, the sum of $1,163.09 was withdrawn and transferred to the Rindge Historical Society. This is the difference between its original deposit of $11,502.59 and payment to Phoenix of $10,339.50 Everything now remaining in this account consists of sale of books, bank interest, reimbursement for mailing folders, and postage -- postage to be reimbursed to Barbara P. Rice from time to time -- balance as accumulated to pay back to the Town its advance of $20,679.

Respectfully submitted,

Barbara P. Rice

INDEPENDENT AUDITOR'S REPORT

March 24, 1994

Board of Selectmen
Town of Rindge
Rindge, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Rindge, New Hampshire, as of December 31, 1993 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments." Those standards and Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rindge, New Hampshire, as of December 31, 1993 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements, and schedule of federal financial assistance listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Rindge, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE PLANNING BOARD

The Board held 40 meetings, which included 12 Capital Improvement Plan Committee meetings, 23 formal public hearings, and reviewed 12 Site Plan applications for non-residential development. The Board also reviewed four minor subdivision applications, of which three were approved and one is still pending at the end of the year. These subdivisions created a total of 6 new building lots. Also approved by the Board were four Technical Subdivisions. In addition, the Shoreland Protection Committee met several times, along with representatives of the lake associations, to review the State's Shoreland Ordinance and to tailor it to better address the needs of Rindge. Also, the Capital Improvement Plan was restructured by the CIP Committee, who spent many hours of research with the Town's different departments in order to determine anticipated capital expenses for the next six years.

Wal-Mart, the Town's first major department store, opened its doors in January. The Board anticipates further development along 202 and will provide comprehensive planning and review as each application is submitted.

Chairman Marion Winters resigned from the Board in July and Douglas Gilroy was appointed to the position of Chairman. Alternate Katie Duffy was appointed as a permanent member of the Board until Town Meeting of 1995. Ann Hawthorne was appointed by the Board as an Alternate in June and Richard Isakson joined the Board as an Alternate in October.

Sadly in March, Bliss Ames resigned from the board and passed away in July. He had served on the Board since 1988 and was also a long time member of the Conservation Commission. His presence and contribution to the Town are missed by all those who knew him.

REPORT OF THE RECREATION DEPARTMENT

1994 brought about the completion of several major projects that will bring long-term benefits to people of all ages.

Springtime saw the final phase of ballfield lights at Wellington Park completed. The lights were officially turned on in April and saw usage well into October.

Generous contributions of time, labor, expertise and money from the RAMS organization and many others translated into another Wellington Park project--an impressive structure built to house a concession stand, announcer's booth and dugouts. This too was undertaken in the spring.

Autumn brought an incredibly exciting surprise for the people of Rindge. Mr. and Mrs. Donald smith apprised us of their intent to donate to the town, a bandstand to be located on the Town Common. Plans were discussed, the weather was cooperative and in what seemed like no time at all, our beautiful new bandstand was completed in time for our December 2nd tree lighting ceremony. How grateful we all are to the Smiths!

In late Fall, thanks to the goodwill and generosity of businesses and individuals, the department was able to raise an impressive sum of money to cover electrical wiring expenses for the Town Common and the purchase of supplemental holiday lights. The common is now equipped to serve as a gathering place for all to enjoy concerts, shows and special events. Let's all make a real effort to keep the common looking beautiful and something special we can all be proud of!!

REPORT OF THE RINDGE ROAD AGENT

The 1994 Primary Road Projects were as follows:

1. Old Ashburnham Road from Route 119 to Mass. line 7136'; placed finish coat of hot top.
2. Middle Winchendon Road from Rte. 202 to the Mass. line 6835'; ditch cleaning, 250' of underdrain, and placed finish coat of hot top.
3. Middle Winchendon Road from Rte. 202 to Lord Brook 1780'; ditch cleaning and finish coat of hot top.
4. Danforth Road from Main Street to Wellington Road 2400'; asphalt recycling, ditch cleaning, with two coarses of hot top.
5. Coot Bay Road 540'; overlaid existing surface with hot top.
6. Old Cathedral Road from Cathedral Road toward Fitzgerald Road back to Cathedral 4850'; asphalt recycling, ditch cleaning with two coarses of hot top.
7. Grassy Pond Road from Cathedral Road to boat landing 450'; asphalt recycling and two coarses of hot top.
8. Cathedral entrance 1290'; asphalt recycling and two coarses of hot top.
9. Hillside Cemetery; rebased, place geotextile fabric, and finished with two coarses of hot top on two of the four avenues.

The Transfer Station this year shipped 55 compactor loads, which was one more than 1993. We are doing a **great job** in keeping the load count down thanks to everyone's effort in recycling. **THANKS!!**

This years "Sidewalk Superintendent Award" goes to Lewis L. Gregory, Jr., for the hundreds of hours spent mapping and compiling all information from the grave stones and markers in the old cemetery, "church side". He has placed all information in book form and has given copies to the Town Office and Historical Society to be reviewed by all.

Thank you!!

REPORT OF THE BUILDING & FIRE SAFETY INSPECTOR

Construction in 1994 increased in the Town of Rindge, 107 Building permits were issued. A breakdown of the permits issued are as follows:

Decks	Pools	Sheds	Demolition	Dwellings	Additions	Renovations
8	2	14	3	24	26	9

Garages	Commercial Additions	Commercial New Construction
11	1	7

Commercial Renovations	Industrial
2	0

Sixty Two Building Occupancy Permits were granted in 1994 for completed construction projects. Just to name a few projects of interest: Cheshire Market Place completed filling their space with three new retail stores. Franklin Pierce College completed a 60 unit dormitory, a major renovation of Crestview classroom and office building, a new waste water treatment plant, and a pavilion. Other projects of interest completed were a four bedroom "castle", a new liquid propane gas storage facility and a Dunkin Donuts.

As you can see, Rindge is a busy growing community and never before has the need for good code enforcement been greater. In the near future, the "ISO" (Insurance Services Office) will be instituting a program which will evaluate each municipality with a grading system called the "Building Code Effectiveness Grading Schedule". This will be an evaluation of the code enforcement effectiveness of the town. The town will then receive a grade in a method similar to the ISO rating of the town for fire protection capabilities. The purpose of the evaluation is to bring more accurate insurance pricing and safer buildings. Additionally the insurance industry feels that the towns with effective codes that are well enforced should demonstrate better loss experience and should therefore receive more favorable underwriting recognition.

I would like to take this opportunity to thank the community for their cooperation and support of the efforts of the Building Department.

Thank You!

During the past fifty years, America was caught up in the Second World War, the Korean War, the Viet Nam War, and Desert Storm. In those difficult times, there was fear of losing family and friends and even democracy itself. Today, we are focused on different kinds of fears - crime and violence - that have become a part of every day life. The fear of crime has settled over communities everywhere, challenging our sense of safety and law enforcement's resources. This fear alters the way we perceive ourselves, our society and law enforcement.

Reducing crime, as well as the fear it causes, poses a significant challenge. Today our officers face more problems than ever before. They are apt to encounter some of the most vicious criminals who ever lived - criminals armed with new technologies and new weapons - our officers must be prepared to meet the challenge.

Police education and training are the key issues of today. What was considered state-of-the-art five years ago is now, for the most part, obsolete. Our officers must be continually updated on the

latest techniques and developments and properly trained to handle today's crime problems. They deserve the best possible training and education available. Training that will enhance the quality and effectiveness of the service we provide and ensures that we will be ready to respond to meet the challenges of today criminal element. Together, we can make a difference.

REPORT OF EMERGENCY MANAGEMENT DIRECTOR

1994 has been a busy year. I have attended more than eighty hours of classes and seminars dealing with various emergency related topics. This year the Emergency Operation Plan was completed and approved by the State of New Hampshire. A 4,000 watt electric start generator was purchased to provide emergency power, and is to be located at the Town Office, which will be the Emergency Operations Center.

Priorities for 1995: To establish a local Emergency Planning Committee for the purpose of meeting the SARA Title III Community RIGHT TO KNOW ACT, to establish a communications system for the Emergency Operation Center (EOC); This would include a cellular phone, a hand-held 16 channel radio, a scanner, and a low-band radio for communications with the State of New Hampshire's EOC in Concord; to appoint a Deputy Director who would assist in completing and up-dating emergency plans and projects.

The Deputy Director position will be changing and time consuming, but can be a rewarding experience. Any volunteers?

REPORT OF THE INGALLS MEMORIAL LIBRARY

It's been a wonderful and exciting year! Again this year, our circulation has increased. The reason for some of the increase is a constant use of the inter-library loan system through the New Hampshire State Library. We cannot possibly buy every book published, so we borrow items from other libraries which makes us have a larger collection. We have asked for and received more books this year than any other.

Thanks again to our faithful volunteers; Rose Dark, Joan Bray, Eva Hornak, Norm May, Nancy Little, Flossie Hastings, Betsy Harper, Joan Williams, Thea Durling, Marci Anderson and Priscilla Leslie. They have done a wonderful job and we would be lost without them.

Our annual Christmas Open House was sponsored by the Friends of the Library and well attended. It is such a festive time for friends to come together and enjoy each others company.

This year we have available for purchase "Buildings Around Town". They are replicas of the Library, Meeting House, West Rindge Methodist Church, Post Office, Rice House, Fire and Police Station. They are exquisitely made pieces of artwork made by Mr. & Mrs. Art Coache and proceeds benefit the Friends of the Library. We also have a queen size quilt that will be raffled off at our library birthday party on July 12, 1995. This will benefit the future expansion of the library.

We are pleased to have finished our barcoding of items at the library and start with the computerized circulation system. The trustees approved our request for more hardware and software to put our already acquired system to good use. Thank you for being so patient while we iron out the little bugs and train everyone using this equipment. Please bring in your library cards so we can barcode them and make the system be used to its full potential.

Respectively submitted,

Diane Gardenour
Library Director

INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES

1995 will be milestone year for Ingalls Memorial Library as we prepare to celebrate our **100th** birthday!! It is a time that we hope everyone will join us in paying tribute to our founders and all the librarians, volunteers and townspeople over the past 100 years who have made our library the special place it is.

With the help of the Town of Rindge, we continue to make our library more easily accessible to all patrons and guests and look forward to major building and service improvements in the next few years. We have formed a Building Committee of some very dedicated citizens who will be evaluating our present facilities and making appropriate recommendations and plans for renovations/additions. If you have any suggestions or ideas, please contact one of the Trustees or Diane Gardenour, the Librarian.

Last year we added a new part-time assistant for our already overworked Library Director and Children's Librarian. She is Lisa Wiley and you will frequently see her working at the main desk or shelving books or helping Diane and Jeanne. She has been an excellent addition to our staff. Jack Dark was appointed to fill the remaining term of office for Bob Hudson who resigned last summer. Thank you Bob, for all your many contributions. Tanks also to Betsy Harper who also contributed to the Board meetings. We were all very saddened with the death of one of our most faithful volunteers and pay tribute to her, **SHIRLEY SAWYER**.

Our Friends of the Library organization has evolved into a very active group of extra "volunteers" and they continue to be very visible as an integral part of our team. They are selling books at flea markets, constructing and donating a new book drop, painting the bathrooms at the library, and the list goes on. We invite everyone to become a "Friend". Their meetings are every second Monday of the month and they usually have an interesting guest speaker from the community.

Our library continues to be available as a community center for meetings, information and a place to see your friends. We hope you will join us next July for the Centennial activities and many thanks to your loyal support. **REMEMBER, IT IS YOUR LIBRARY,** and we strive to make it the best for everyone in Rindge.

Respectfully submitted,

Nanette Reckart Wilson, Chairperson

Doris Thompson Trustee
Gail Smith, Trustee
Robert Shepherd, Trustee
Jack Dark, Acting Trustee

REPORT OF THE HISTORY COMMITTEE

The Committee continues to collect material and photos pertaining to the history of Rindge.

As in the past, we have assisted those seeking genealogy and cemetery records, these requests seem to be on the increase, as searching family history is a rapidly growing hobby and pastime.

Linda Bussiere continues to add to the "old house" project. Linda remains active as a volunteer giving lectures to the students at the Rindge Memorial School and Jaffrey-Rindge Middle School, she has also been contributing material to the school libraries. History has been made more interesting for some of our students by taking some field trips to historic Rindge locations accompanied by Linda and Jim Jenkins.

We are always looking for letters, articles, pictures, journals, diaries or records that pertain to Rindge.

Several of the committee have been contemplating a Civil War reading/discussion group and would be interested to know how many others would join us if this became a reality. Please advise the History Committee at P.O. Box 163, Rindge, N.H. 03461.

There are still many tasks that could be done by those who wish to volunteer, this would be interesting and valuable to the community.

This year the clock in the belfry of the Meetinghouse is **one hundred years old**. This was a gift to the Town, given by Mr. Otis Hubbard, a farmer who was born and died here. We are grateful for his generosity.

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission monitors and protects the natural resources of Rindge.

Members held eleven monthly meetings and did twelve investigations at the request of the Selectmen, Board of Adjustment, Planning Board, State Wetland Board and citizens.

Rick VandePol completed the review of selected wetlands in Rindge and presented his findings to the Town's people in April. This report contains valuable information about wetlands in various sections of Rindge. A copy of his report is available for examination and copying at the Town Offices. The Commission was notified that the Goundry family had given easements to the Society for the Protection of New Hampshire Forests for 160 acres in Rindge. Michael Pratt was given a scholarship from the CFX Bank to attend the Community Conservation Camp sponsored by the Society for the Protection of New Hampshire Forests.

Sheila Ames was appointed the representative of Rindge to the Contoocock River Advisory Commission. Sheila took a Stewardship course at the Harris Center sponsored by the Society for the Protection of New Hampshire Forests. Richard Mellor attended a workshop sponsored by the Office of State Planning on shoreline protection. Bob Shepherd was on the Town's committee to write the Shoreline Protection Article for the Rindge Zoning Ordinance.

The Commission sent a donation of $100.00 to the Monadnock Community Conservation Program. High school students in this program did conservation projects in both Jaffrey and Rindge over the summer.

The Commission mourns the passing of member Bob Ames. His caring participation will be missed.

The Conservation Commission meets on the 4th Wednesday of each month at 7:00 PM at the Ingalls Memorial Library with the public invited to attend.

BUILDING & APPARATUS MAINTENANCE

MANHOURS PD.	DONATED	TOTAL MANHOURS

1994 has been an extremely busy year for the many volunteers/call firefighters of the Rindge Fire Department. The training and maintenance hours exceed the incident hour threefold.

Rindge continues to grow and with that growth, many mandates are placed on our department by federal, state, and local government. We as a department continue to strive to comply to these mandates through training programs, new equipment, and reviewing our Standard Operating Procedures.

Our department meets the requirements of the "new" hazmat awareness requirements by having each member trained to Operational Level, a task few departments can boast. We continue to enroll our firefighters in such courses as Level One Firefighter, which is certified by the State of New Hampshire.

Through N.H. Fire Standards and Training and the National Fire Academy, six of our firefighters took courses ranging from Incident Command to Leadership III at the academy in Emmitsburg, Maryland. We continue to participate in department trainings, workshops, and seminars through various organizations such as Meadowood County Area Fire Department, the N.H. Fire Chiefs Association and the new State Fire Academy in Concord. It is through the efforts of Captain Steve Robblee that the Rindge Fire Department is trained to such a high standard. His coordination of both department and mutual-aid trainings, rate us number one in call fire departments.

Our rescue personnel, the busiest part of the department, is coordinated by Deputy Chief Scott Ellis. Scott continues to seek volunteers for our rescue squad, lead EMS training and take care of EMS records and re-certifications to insure our department is providing quality emergency service to the residents of Rindge. We continue to support and train with the Jaffrey VFW Ambulance Service in order to continue providing a smooth transition from emergency care at the scene to a hospital setting.

One of the most difficult tasks of the Rindge Fire Department, during 1994, was to write specifications for a new fire truck that will replace the 25 year old M-5 unit. These specifications were written with the growth of Rindge a major factor and within the guidelines of the Master Plan. A truck committee, consisting of Bob Lapointe, Alan Bell, Scott Ellis, Craig Hoyt, Ken Whicker, Tim Murphy and Jon Flagg, was formed from volunteers. Input was received from Ed Hoard and Chris Cramb. Many hundreds of manhours were given and all the hard work paid dividends in a completed set of specifications brought to conclusion in December. As this report goes to print, copies of the truck specifications have been sent to several companies in the hope they will bid on the new truck in order to firm a price for town meeting. It is efforts like this that make the Rindge Fire Department so unique.

Again, the Board of Firewards wish to thank the members of the community for their continued support of the Fire Department programs and achievements. It is through this support that Rindge has had such a fire-safe year and continues to look for the same in the future.

The Rindge Fire Department is looking for community input as to how we can best serve the residents of Rindge through continued programs, fire prevention, or disseminating information to clubs and activities.

Respectfully submitted,

Board of Firewards

Bob Lapointe, Chief
Scott Ellis, Deputy Chief

SUMMARY OF SERVICES TO RINDGE RESIDENTS FROM OCTOBER 1, 1993 THROUGH SEPTEMBER 30, 1994

*Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights per week. The Jaffrey District Office is open four days and four evenings per week. Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year.

*Services we offer in addition to Emergency Services include: Psychiatric Assessment and Medication Treatment, Case Management, Residential treatment and a Day Treatment program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough and Jaffrey offices of Monadnock Family Services served over 793 individuals, with more than 13,068 visits for direct treatment.

*It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

*This past year Monadnock Family Services provided 683 visits of direct treatment to RINDGE residents. Of the 66 open cases, 29 were male and 37 were female, 22 were under the age of 18, 40 between the ages of 18 and 59, and 4 were 60 or older.

*Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

*MFS Adult Care Center was open over 1400 hours in 1994, with an average daily attendance of approximately 23 clients. We provided over 16,000 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

*The dollar amount requested from your town to help us continue offering these services, is arrived at by multiplying the 1992 population estimates (prepared by the NH Office of State Planning) figure by $1.00. This per capita amount includes no increase in five years. The amount we are requesting is $5,021.00.
